

CHARITY BALL MOST BRILLIANT SOCIAL AFFAIR

The Charity ball given last evening at the Colonial, under the auspices of the Martha Society, was a gratifying success from every point of view. Every detail of this annual society event was perfectly carried out and no item that would add to the pleasure or comfort of the guests was overlooked. The decorative scheme, beautiful in conception and perfect in detail, was carried out in red and white, the Japanese colors, and in the Japanese style. Entering the lobby, overhead for its full length were hung large Japanese lanterns which gave out a subdued glow of light that was most pleasing. Going down the long hall, after removing wraps and reaching the entrance to the ball room, a scene of rare oriental brilliancy and beauty met the eye. Forming a complete canopy over the large hall, were immense Japanese umbrellas and under them were hung myriads of vari-colored Japanese lanterns which enclosed incandescent globes of light. Intertwined were pretty festoons of red and white; and large butterflies, which appeared to be flying through the air, were hung from the ceiling. Bordered the east end and the two sides of the hall were placed with artistic taste, large Japanese fans and banners on which were pictured scenes of Japanese life.

For the east end of the hall, over the mirrors, cozy corners and entrance Japanese peach and Wisteria blossoms were used. Mrs. H. C. Wood assisted by the Misses Helen Rich, Florence Shields, Marjorie Thomas, Kathryn Allison Josephine, Shorten Ruth Boyd, Trade Turner, Mary Ellis, Helen Sheehan, Genevieve Anderson and Ruth Winters, members of the "Nifty Nine" club, made the necessary blossoms and foliage so nearly perfect that only by their lack of fragrance could they have been told from the real blossoms.

Two Japanese arbors were arranged at the east end of the hall and the rest room near the hall entrance was decorated with large American flags.

Entering the hall the guests were presented with dainty programs by Miss Helen and Master Jack Johnson. The members of the Martha society formed the receiving line and each guest was given a gracious welcome to the pleasures of the evening.

Governor William Spry and his staff arrived at the hall about 9:20 p. m., and after they had been made welcome the call for the "Grand March" was made. The March was led by Governor Spry and Mrs. E. M. Conroy, Martha Society president, with Mrs. Spry and Dr. Conroy next in line. They were followed by the governor's staff and then came over 125 couples, while an almost equal number of guests watched the many pretty formations under the direction of Prof. E. W. Nichols. This feature also gave the best opportunity for seeing the handsome gowns that were worn by the ladies present and many of the latest models were seen.

rectly with the stairway of the club from the lobby of the New Colonial.

As a special mark of respect to Governor Spry and his staff, in the decorative scheme of the dining room, the committee had deviated from the Japanese idea and all four walls of the room were hidden by American flags.

On the tables, adding fragrance as well as beauty to the picture were vases of American Beauty roses, red yellow and blood-orange chrysanthemums, and red and pink carnations.

The charity bazaar, beautiful in all its many details, but even more beautiful was the purpose for which it was given and when it is remembered that, in addition to the many charitable acts that are done by the Ogden Martha society, that an average of fourteen little children are cared for at the Day Nursery and Free Kindergarten on Madison avenue.

Twenty-fifth street, where the matron ministers to their wants and teaches them love, kindness and pretty manners, every one who purchased a ticket for the party will feel that the Martha society gave them an opportunity of lending their assistance to such a cause.

The Martha society acknowledges their deep appreciation for the assistance given them by the Weber club in the free use of the dining room and for the punch and the men who served it; to Mr. and Mrs. H. C. Wood who, with their able assistants, were responsible for the beautiful decorations; to the Salvage Electric company for the electrical fixtures and service; to Chief A. B. Canfield and the boys of the fire department for their assistance in placing the decorations; to Mark Smith of the forest service for furnishing the flags used in decorating the dining room; to the ticket committee to whom the realization of their object in giving the party was largely due; and to all others who may have assisted them in any way in making the affair a success.

THIRD WARD PARTY

The general sack apron party which was given in the Third ward hall last night found favor with a large crowd of young dancers. "Just a pair of overalls" seemed to some of the boys to fill the bill, and with regard to correct size or color of the denims, they donned the first pair at hand and the many misfits caused plenty of fun during the evening.

A large number of the young ladies in attendance were dressed according to rule and looked quite nice in their aprons of gingham, linen, calico, or burlap.

The music was in good time by Purdy's orchestra and the popular Third ward program of 22 dances was greatly enjoyed by all.

The affair was conducted by Chairman Joseph Richardson, assisted by Mrs. Elizabeth Tracy, Mrs. Lois Pife, Carl Torgeson and Frank Williams of the Amusement committee of the ward.

MISS BUNE SURPRISED

Friday evening the friends of Violet Bune pleasantly surprised her at her home, 2050 Jefferson avenue.

The evening was spent in games and music after which a delightful luncheon was served.

Those present were: Edith Sharp, Jean Biglow, Alva Davidson, Avelia

50 Hours Fire
on ONE Charge of Fuel

"There ain't no sech animal," said the gentleman from Podunk, as he stood before the hippopotamus at the zoo. It was such a new experience for him that he wouldn't believe his own eyes.

Lots of people laugh when we tell them that the

will keep fire for fifty hours on only one charge of soft coal. Yet the stove's done it time and again—and is sold now under that guarantee.

The stove that will do this—the only stove in the world that is guaranteed to do it—is worth investigating; don't you think so?

Make this investigation soon—at our store. You'll know, then, why we urge you to "Own an Estate."

Mrs. J. W. Fetheroff will be hostess to the club next Thursday, November 20.

Mrs. J. B. McCracken tendered her resignation and will leave soon to make her home in Los Angeles.

DANISH BROTHERHOOD DANCE.

The Danish Brotherhood is to give a mask ball in the Eagles' hall next Friday. The Brotherhood has an enviable reputation as entertainers and the affair Friday promises to eclipse all previous efforts. It is not an invitation party, everybody being invited to participate.

As the general secretary, Bob Christensen, puts it, "We are just going to have a swell time, and everybody who appreciates good dancing can come along."

THEATERS

OGDEN THEATRE

Tonight's performance will mark the close of a remarkable bill, "Human Hearts." The "Giri from Rectors" will follow "Human Hearts" at the Ogden, and if the people want a jolly frolicking, this farcical comedy will prove the greatest drawing card of the season. There is not a dull moment in the entire plot from the first line spoken to the intense, hysterical pajama scene in the closing act. "The Giri from Rectors" is a truly a daring play, yet there is not an indecent line spoken. It will give its audiences a thousand laughs but not a single blush.

Thursday afternoon, Mrs. Clayton Coolidge acted as hostess to the Home Culture club and in spite of the rainy weather there was a good attendance.

McCracken told of the Indian woman in her home. A talk on the causes and effects of the famines in India was given in an interesting manner by Mrs. E. L. Howes.
